TO ALL MINUTEMAN PRESS & INTERNATIONAL MINUTE PRESS FRANCHISE OWNERS:

Minuteman Press International is pleased to announce that we have made **Kraus Anderson Insurance** our vendor of choice; effective November 1, 2007.

We are very excited about this opportunity to partner with **Kraus-Anderson Insurance** to provide our franchisees with excellent insurance products and services tailored to your needs, at extremely competitive rates. In fact, we compared policies and rates for several existing MMP shops for their Property, Liability, Auto and Workers Compensation insurance and found, on average, premium savings in excess of 15%.

Kraus-Anderson Insurance is a large, independent insurance broker headquartered in the Minneapolis/St. Paul, Minnesota metropolitan area. K/A has developed a national/worldwide **exclusive and customized program** available only to all Minuteman Press franchise owners through a major insurance company. K/A has a proven track record of excellence in servicing national accounts, and has the resources to provide complete insurance and risk management products and services.

Please watch for additional information from K/A about this new insurance program at their website www.kainsurance.com and for advertisements from K/A in the upcoming issues in the **World of Minuteman**. You can also speak to Tami Howarter direct at 952-707-8239 or email her at thowarter@kainsurance.com.

Sincerely,
